3 Concepts

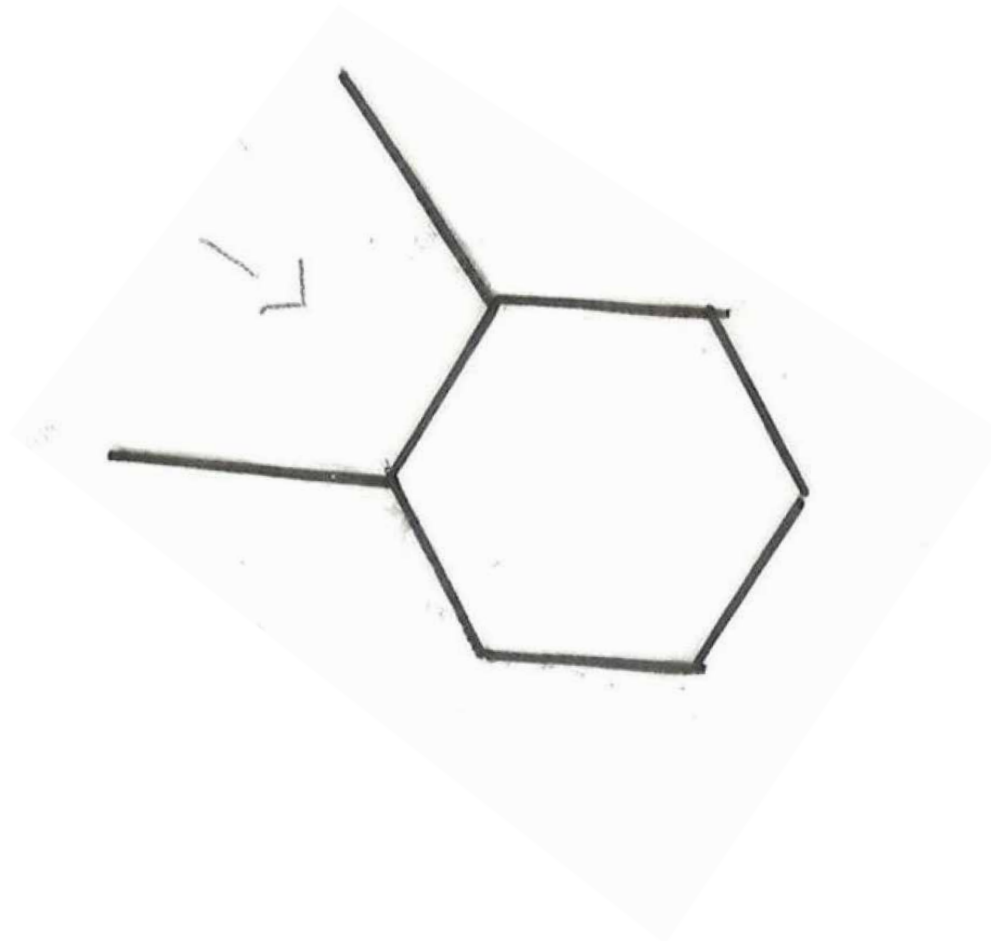

1

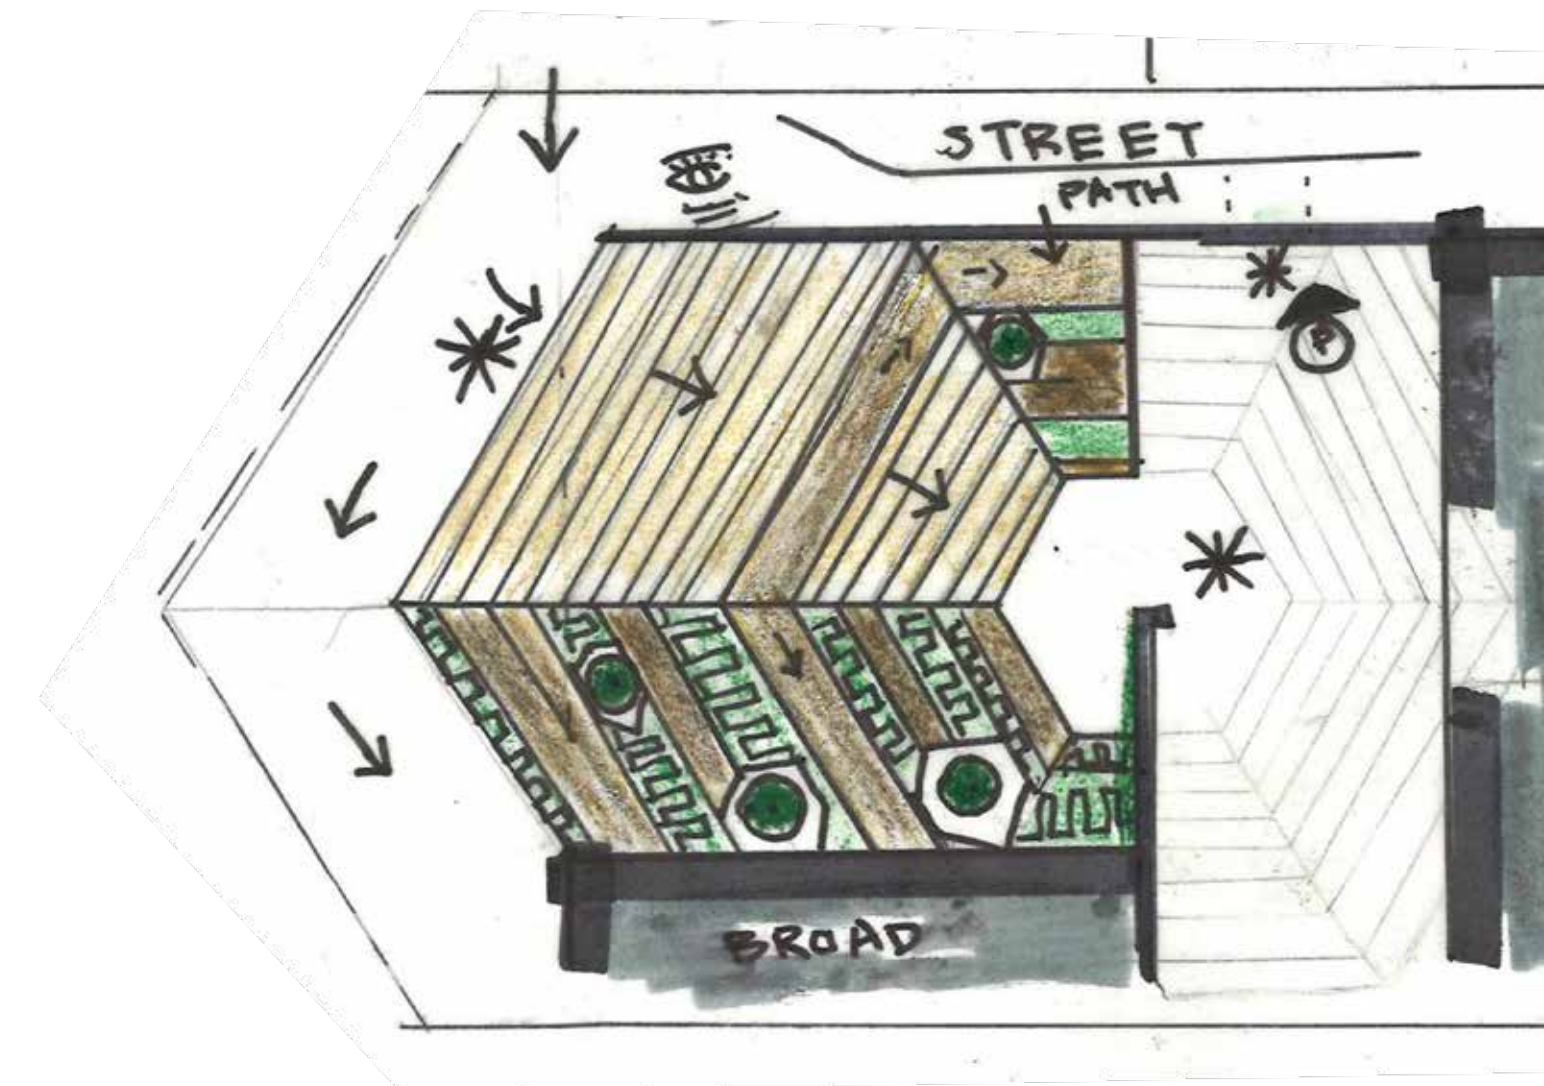

Concept 1 is a double stairway shaped as a hexagon, with a connecting path and garden in the middle. The hexagon shape is inspired by the patterns found on the Grande Cretto Nero by Alberto Burri found on the site.

2

Concept 2 is a grand staircase with terrace gardens and seating on both sides. The hexagon shape is again inspired by the patterns found on the Grande Cretto Nero by Alberto Burri found on the site.

3

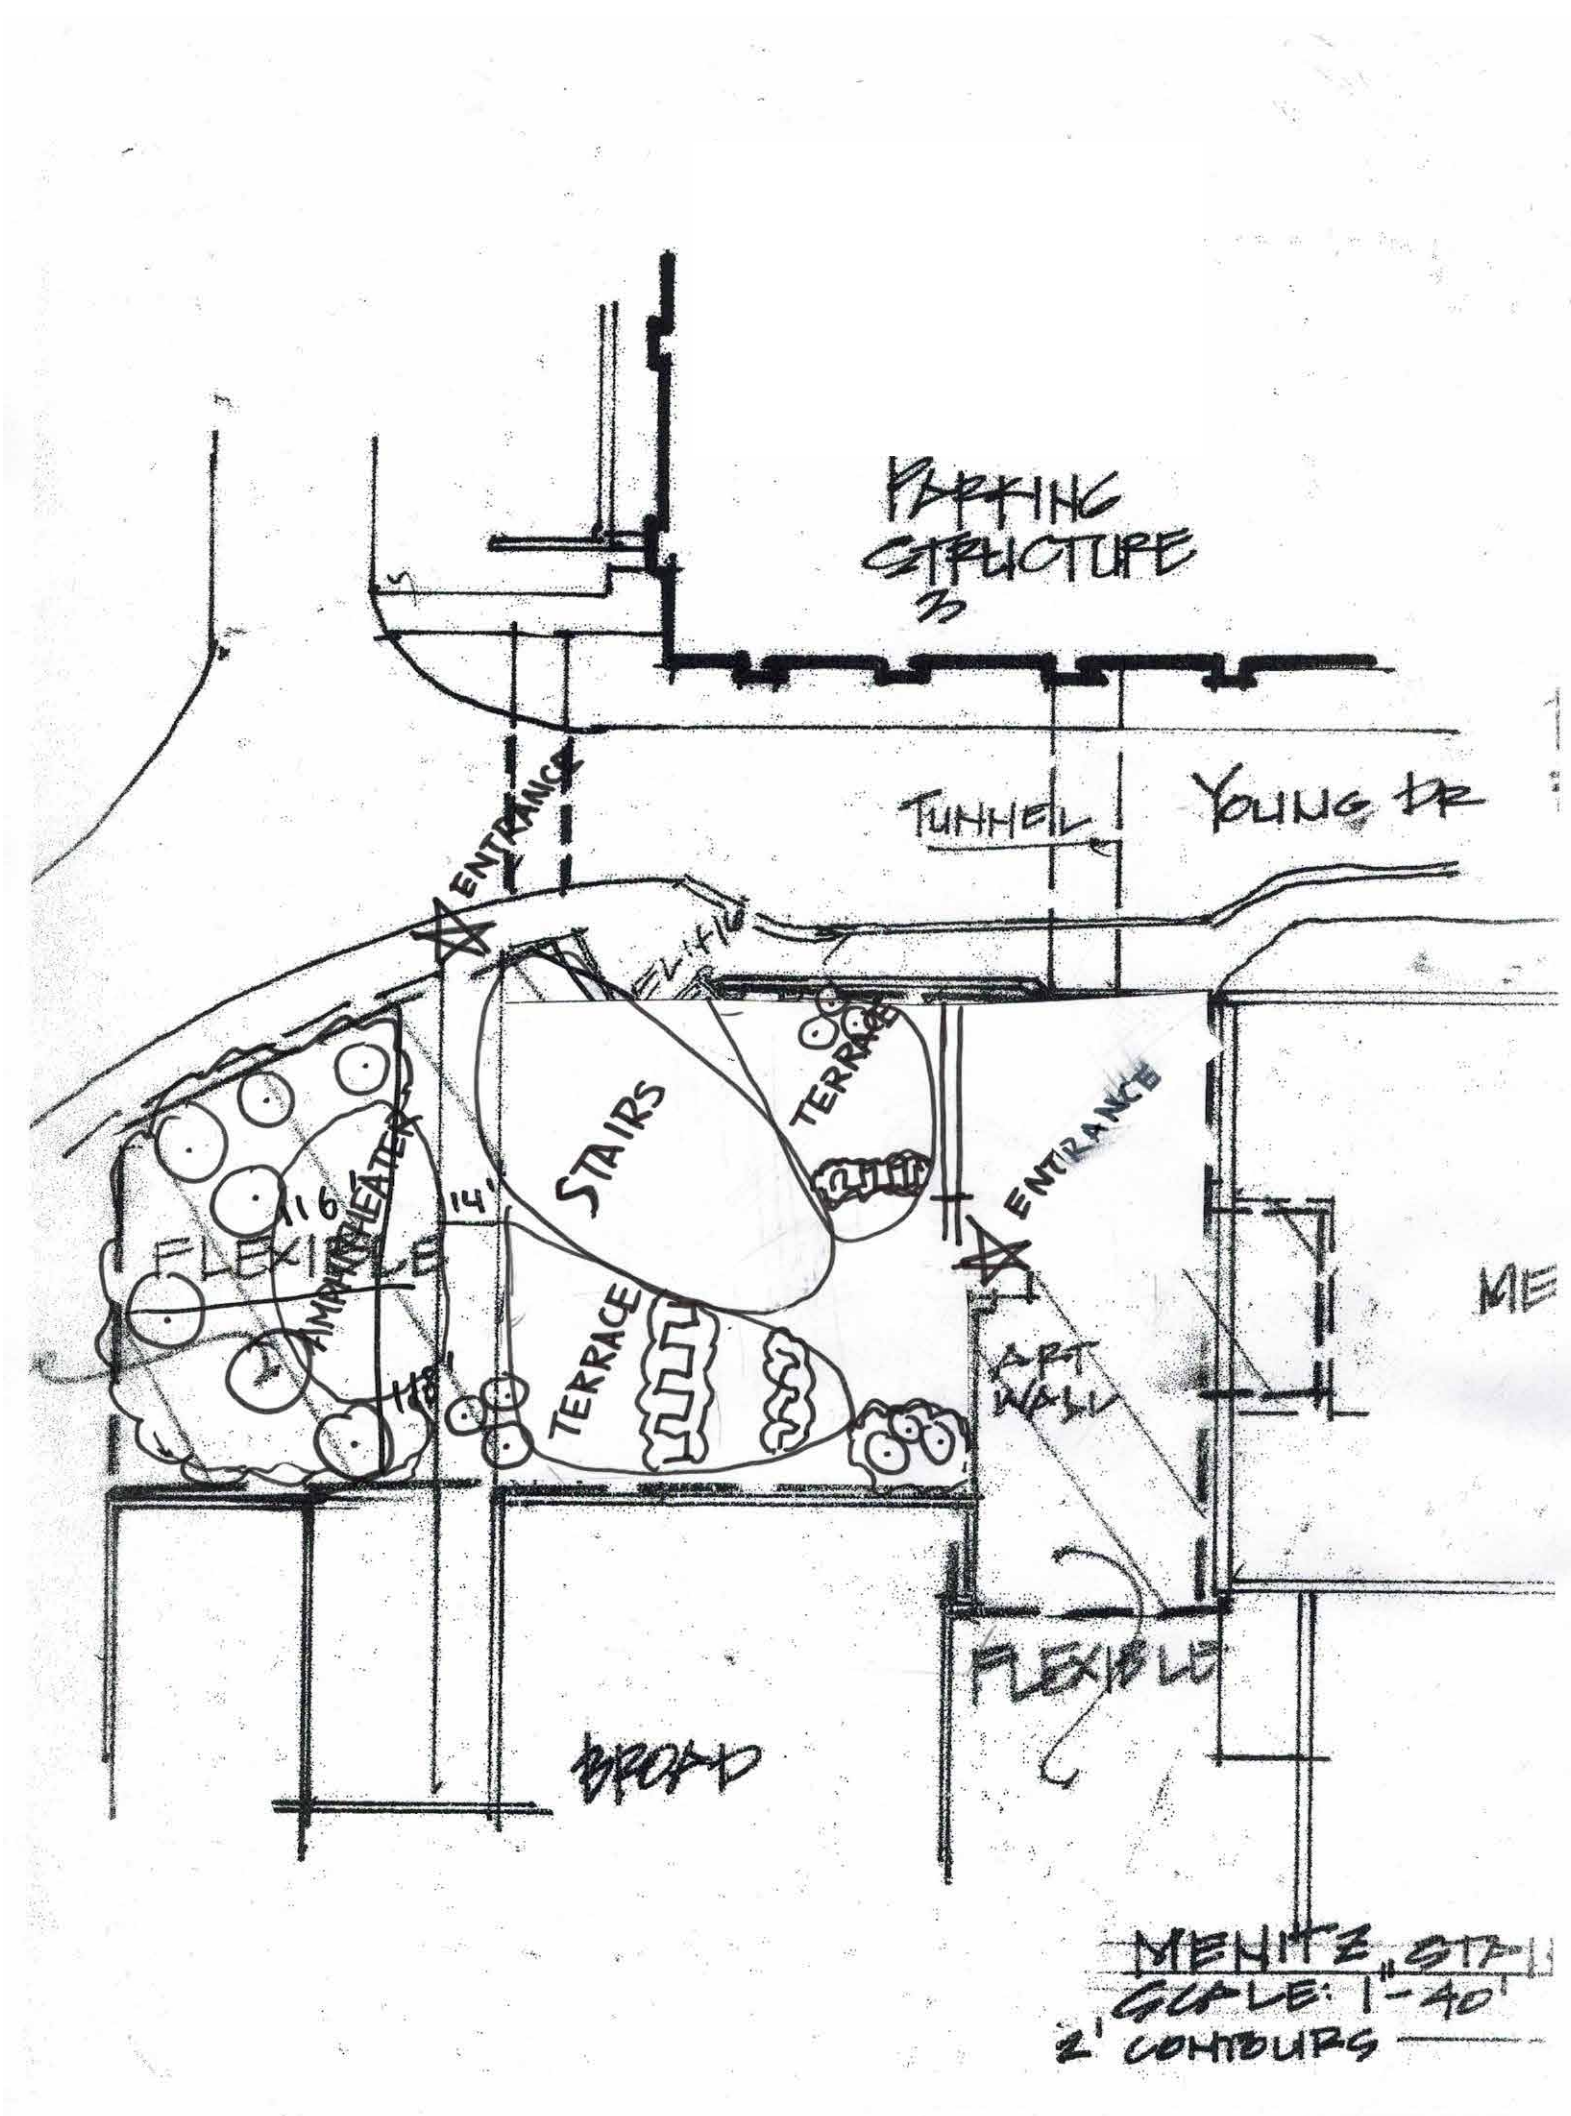

Concept 3 is inspired by a spiral staircase that acts as a art sculpture as well as a stairwell.
