STUDIO

An architectural rendering of a campus model. The scene features several buildings with light-colored, vertically-slatted wooden facades and gabled roofs. A prominent circular building with a similar wooden exterior is situated on a grassy slope to the left. In the background, a large, open-air structure with a wooden frame and a flat roof is visible. The campus is surrounded by lush green trees and vegetation. In the far background, a large body of blue water is visible under a clear sky. The text 'CENTRAL CAMPUS MODEL' is overlaid in the center in a bold, green, sans-serif font.

CENTRAL CAMPUS MODEL

A wooden trellis structure made of light-colored wood, possibly birch or maple, stands in a garden. The trellis is composed of several vertical posts and horizontal beams, forming a series of rectangular frames. The background is a lush, green garden with various plants and trees, slightly out of focus. The lighting is bright and natural, suggesting a sunny day. The text "THANK YOU" is overlaid in the center of the image in a green, sans-serif font.

THANK YOU
