INSPIRED BY THE CURVILINEAR AND ORGANIC SHAPE OF SOME OF THE EXISTING SCULPTURES, THIS GARDEN WAS DESIGNED WITH THE IDEA TO PROMOTE INNOVATION AS WELL AS INTELLECTUAL AND CREATIVE THINKING. BY CONTRASTING THE STRAIGHT LINES AND THE MORE "BOX"-LIKE SHAPES OF THE BUILDINGS, THIS SPACE IS MEANT TO CULTIVATE A BREATH FROM THE MORE LINEAR AND STRUCTURE FROM ACADEMIA. SOME OF THE SCULPTURES INCORPORATE THE USE OF NEGATIVE SPACE THAT PROVIDE A WINDOW TO ANOTHER PERSPECTIVE OF THE GARDEN, WHICH MAY ALSO ALLOW FOR A FRESH PERSPECTIVE OR PERHAPS A NEW FRAME FOR THE VIEWER TO SEE, METAPHORICALLY SPEAKING. THE SHAPES ARE MOSTLY ABSTRACT, WHICH INVITES UNIQUE INTERPRETATION OF THE SCULPTURES AND THE MATERIALS ARE A TEXTURED METAL FOR LIGHT REFLECTION THAT IS NOT HARSH. THERE IS ALSO A KINETIC SCULPTURE PLACED IN THE GARDEN TO INVOKE MOVEMENT AND VISUAL INTEREST FOR THE MIND FOR A MORE MEDITATIVE AND ALMOST HYPNOTIC MENTAL SPACE. THE WIND CHIME SCULPTURE IS FEATURED ON THE LARGEST LAWN TO CREATE A MORE SENSORY EXPERIENCE THROUGH SOUND AND INTERACTIVITY WITH THE WIND TO CREATE AMBIANCE. THIS CONCAVE LAWN CREATES AN AMPHITHEATER-LIKE SPACE, ALLOWING FOR A MORE ENCLOSED SOUND EXPERIENCE.
